PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 254A (98.7 Mhz) at Kiowa, Oklahoma.

DISCUSSION

Kiowa, Oklahoma is an incorporated community of over 700 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 254A to Kiowa, Oklahoma, as that community's first aural broadcast transmisssion service. Kiowa has its own mayor, Vernon Pierce, its own fire department, its own post office, its own school district and a number of local churches.

Attached hereto is a channel study confirming that Channel 254A can be allocated to Kiowa, Oklahoma consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

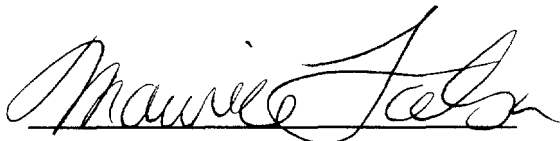

34 40 43 N
96 00 42 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 254A to Kiowa, Oklahoma.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

By:
